

FAQs

- **Inclement weather policy**
- In case of heavy rain and/or thunder and lightning, we will immediately halt the class and seek shelter. The safety of your child is our biggest concern. If a day of camp is canceled due to weather, make up day is on any Saturday in June or July as part of the regular junior programming.
- **What if my child misses a day of camp?**
- Make up day is on any Saturday in June or July as part of the regular junior programming.
- **How do I sign up for camp?**
- Click on the links above. Any questions, feel free to contact Neil Thompson.
- **When can I sign up for camp?**
- Sign up is open now and is ongoing!
- **How does the multi-week and siblings discount work?**
- This is to encourage juniors to come multiple weeks and with friends and siblings. See pricing to the left. Also, you will see a discount for returnees from the previous year.
- **What time does the Friday play day finish?**
- Around 10-10:30. We start the shotgun start at 8 am sharp. Adults are encouraged to play golf with their junior and we will have a prizegiving in the clubhouse immediately after play.
- **Where does my child go the first day of camp?**
- We have a shuttle running from the far end of the parking lot to the Academy of Golf which is beyond the main driving range and adjacent to the first green on the Short Course. The shuttle will run at 7:45 and 9:45 to transport juniors to both camps. Same at the end of each day of camp. Shuttle runs every day of camp; not just the first day.
- **Are parents allowed to attend?**
- Yes. We have viewing bleachers and shaded areas from which to watch, if you would like to stay and do so.
- **Does my child need golf clubs, golf shoes, etc.?**
- No. Many juniors do have clubs, but they are not required. We have both right- and left-handed clubs for them to use. We also fit and sell the complete and extensive line of U.S. Kids Clubs, the leader in junior clubs, at very competitive prices. Also, golf shoes are not required.

Tennis shoes are fine. We recommend they wear a hat and light-colored and lightweight clothing as it will be hot.

- **Are drinks provided?**
- Yes, we have water for juniors and any adults who stay to watch.
